FABRIC QUALITY ICONS

With durable constructions and specialized finishes, our fabrics are thoughtfully designed to take life in stride.

PERFORMANCE

Tough on spills yet soft to the touch, these family-friendly fabrics stand up to real life. Finished with innovative formulas or chosen for their inherent performance qualities, they're easy to clean and care for.

PET FRIENDLY

Ideal for homes with one or more pets, these easy-clean fabrics are designed with a tight weave that is resistant to pet snags and trapping pet hairs.

FADE RESISTANT

Suitable for sunrooms or spaces with bright natural light, these fabrics are woven of innovative solution-dyed acrylic yarns that won't lose color vibrancy from exposure to UV rays.

WOVEN IN THE USA

This fabric is proudly woven in the USA of American and imported materials.

CONTRACT GRADE

Engineered for both commercial and residential furniture in high-traffic areas, these highly resilient fabrics surpass durability standards with a rub count of over 40,000.

NATURAL FIBER

These fabrics consist of 100% all-natural fibers derived from plants, like cotton or linen, that offer breathability and a soft touch.

GREENGUARD GOLD CERTIFIED

GREENGUARD Gold Certified to contribute to healthier indoor air, keeping you and your family safer.
