Do not use cable to hang these panels!

Hanging Orientation:

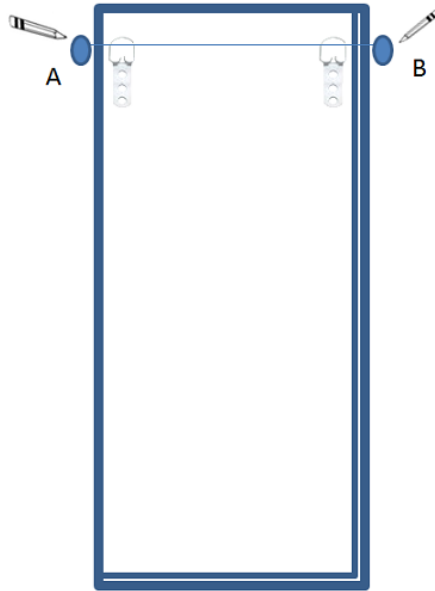

Mounting Instruction:

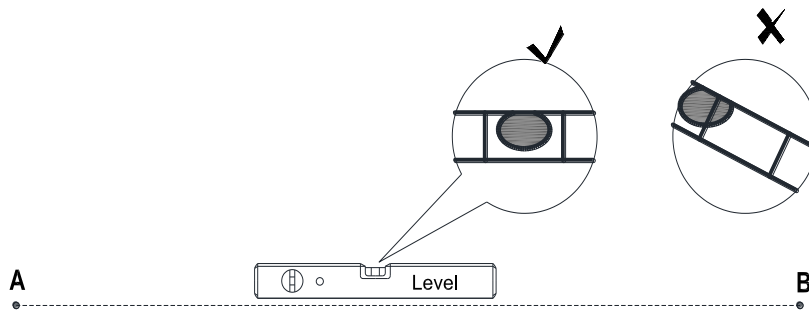

- 1 This item consists of 3 wood panels. Each panel has 2 D-rings located on the back for wall hanging. Measure the distance of each panel between the center of the two D-rings

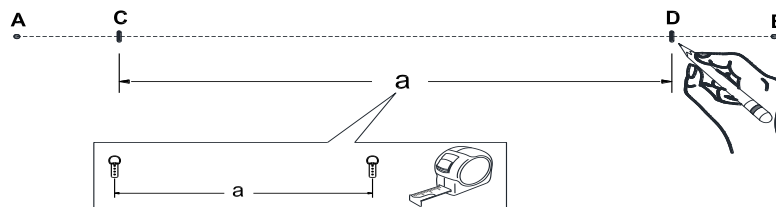

- 2** With the back of each panel facing away from the wall, hold it against the wall at a desired mounting location. Mark two reference points (A, B) on the wall as shown.

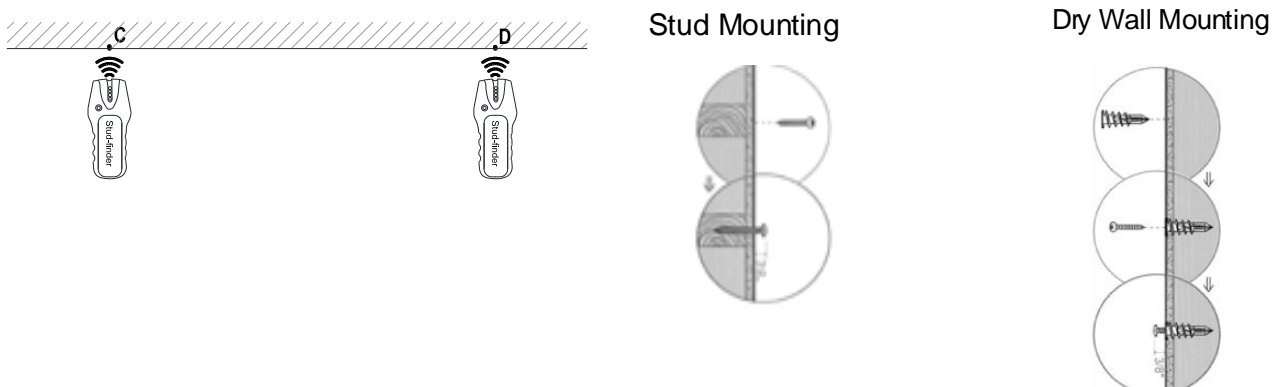

- 3** Connect the two points (A, B) with a light pencil line. Use a level to ensure that the line is level.

- 4** Make two insertion marks (C, D) centered along the line using the measurement "a".

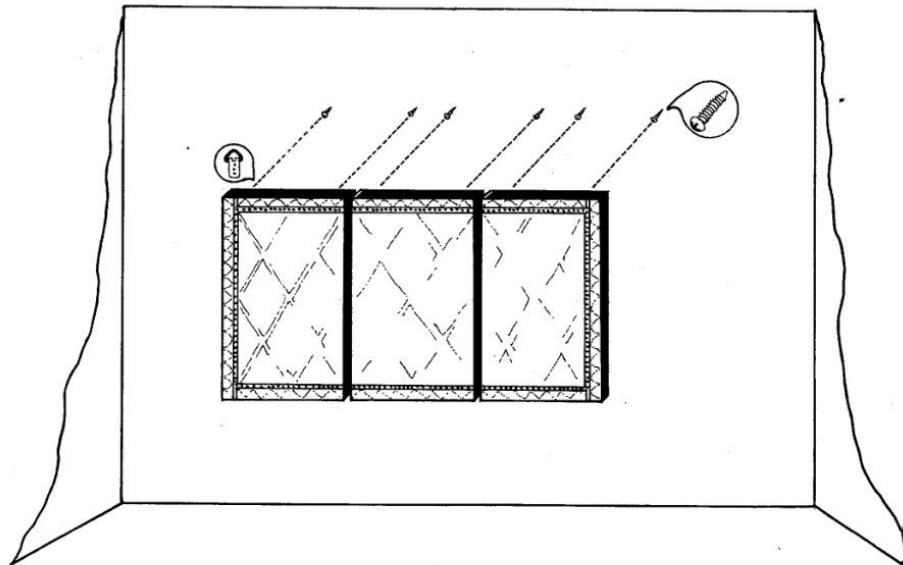

- 5** Use a stud-finder to determine if there is a wall stud[s] located at [each] either insertion mark. Install the proper hardware, as shown below. Note that the head of each screw resides about 3/8" from the wall.
