### Assembly Instructions

Note: For safe mounting, it is essential to use the proper hardware for your wall type. Be sure to consult your local hardware store to determine the hardware needed for your wall type (plaster, drywall, concrete, etc.). Mount to wood studs whenever possible.

#### Parts Included:

- (2) Mounting brackets
- (2) Hex screws

#### Mounting Instructions:

1. Assemble the towel rack within the mounting brackets and plates to determine desired location on wall. With a pencil, mark on the wall the location of the screw holes using the mounting plates as templates. (These marks will be used to determine the location of your mounting hardware.)
