**FACTORIC QUALITY ICONS**

With durable constructions and specialized finishes, our fabrics are thoughtfully designed to take life in stride.

**PERFORMANCE**
Tough on spills yet soft to the touch, these family-friendly fabrics stand up to real life. Finished with innovative formulas or chosen for their inherent performance qualities, they’re easy to clean and care for.

**PET FRIENDLY**
Ideal for homes with one or more pets, these easy-clean fabrics are designed with a tight weave that is resistant to pet snags and trapping pet hairs.

**STAIN RESISTANT**
Finished with innovative formulas or chosen for their inherent performance qualities, these life-friendly fabrics easily release stains and are less susceptible to spills.

**FADE RESISTANT**
Suitable for sunrooms or spaces with bright natural light, these fabrics are woven of innovative solution-dyed acrylic yarns that won’t lose color vibrancy from exposure to UV rays.

**WOVEN IN THE USA**
This fabric is proudly woven in the USA of American and imported materials.

**CONTRACT GRADE**
Engineered for both commercial and residential furniture in high-traffic areas, these highly resilient fabrics surpass durability standards with a rub count of over 40,000.

**NATURAL FIBER**
These fabrics consist of 100% all-natural fibers derived from plants, like cotton or linen, that offer breathability and a soft touch.
